Pairing Ideas

You can't go wrong with our 2016 Cabernet and a New York steak. Sautéed mushrooms and roasted Brussels sprouts on the side.

Tasting Notes

2016 is the newest vintage of our Cabernet Sauvignon, and it's quite the vixen. The color alone is striking—an inky shade of garnet that verges on black velvet. The entry is plush but then meanders into an intensely layered mid-palate of blackberry, boysenberry, and pomegranate. Mingling with the fruit components are gentle notes of oak, tobacco, and wild bramble. The finish lingers on and on with playful acidity and tannin flashing the berry expressions for as long as 45 seconds.
